40. Unknown, NH7UA Norm

Please choose a shelter name other than those listed above to avoid duplications. You could also make up a name instead.

**SPOKE** (color yellow) can use Kulani 146.760- pl 100.0 or Pepeekeo 146.880- pl 100.0 Repeaters to contact a relay HUB (color green) then go to their preferred frequency shown above. If you don't have it programmed in or can't hear each other, then move over to 146.520 or use the Repeater to relay your message using the [ARC 213](#) General Message ([sample](#)) & ARC Daily [Shelter Report](#) ([sample](#)).

- ARES / ARC Makani [Hurricane Exercise](#), [ICS-205](#), [ICS-309](#), [Relay Guide](#) by Tony WH6DVI.
- Winlink Telnet (internet) [Step by Step Guide](#) if you want to become a HUB.
- [Register](#) to receive an ARC Certificate of Participation: [Step by Step Instructions for Registering with the ARC Survey Site](#)
- After the exercise 12:00 pm, please submit this [Survey](#) to ARC.

Contact us below if you have any questions, comments or suggestions.
