

# Big Island Monthly Siren Net Instructions [Update 01/23/2021](#)

We are looking for volunteer NCS(s) willing to take a turn for the Big Island Monthly Siren Net using the AllStar Client (full duplex great [tips](#) by Jesse WH6AV). You can contact Dave AH6OD [tdydave@gmail.com](mailto:tdydave@gmail.com) if you need help setting that up. OR if you have a strong solid signal using RF into an AllStar Repeater near you will work just fine too. Let us know what Month you would be available and we will simply schedule you in. Great training and experience for everyone participating or listening in.

### NCS Recognition List

**Mark WH6FSA (01/04/21) | Joe WH6FZH (12/01/20) | Malury KI6HBZ (11/02/20) | Bob AH6J (10/01/20)**

A big Mahalo to all of our NCS listed above, we would not be where we are today if it were not for all of you!

We are still in BETA mode, constantly updating and appreciated all the brave souls who took a turn as NCS. This has helped us find problem areas and what needs to be tweaked. Everyone is welcome to give us feedback as we strive to improve the Siren Test Net each Month.

Feel free to contact Darrell [dhaenter@gmail.com](mailto:dhaenter@gmail.com) or Bev [bevgable@gmail.com](mailto:bevgable@gmail.com) if you have any questions, concerns or ready to roll up your sleeves and sign up as NCS!
