

Big Island Monthly Siren Net

Check for [Update 11/28/2020](#) You Can [Make a Difference](#)
[Nearly 1 In 10 Big Island Emergency Warning Sirens Inoperable](#)
[Big Island Emergency Warning Sirens Repaired; Additional Sirens To Be Added](#)

Our 3rd Net is on **Tuesday Dec 1, 2020 at 11:25 am (early check-ins) 11:45 am (siren test)** Use a [AllStar Repeater or Simplex Node](#) ([tips](#)) near you. If you are unable to reach AllStar, you can use DMR [Hawaii County Siren Net](#) as another option to pass your traffic. You can also email your report to Darrell dhaenter@gmail.com as it will be turned in to HCCDA by (1:00 PM) that day. You can view the Net Report [here](#). If you want to [Adopt a Siren](#) let us know. Please be sure to click the update link above as we are still in BETA mode, mahalo all for your support!

All amateur radio operators are welcome to participate by reporting the siren status in your area or wherever you are currently. Net Control ([Joe WH6FZH](#)) will take early check-ins around 11:25 AM to see who is out there. To collect data and to prepare us prior to the siren test which starts at 11:45 AM. Use [ITU Phonetics](#) where applicable as NCS will need the following information:

Callsign | Name | Siren Location | Working | Nothing Heard | Partly Working (Describe) | etc.

Sirens needing to be monitored requested by Tom Olson from Hawaii County Civil Defense Agency:
