Those sending your messages [Digital](#) via [Winlink](#), send to: **KH6FHI**. Here is the [Instructions](#) more on [BIARC.net](#) website.

## Our Mission:

**09:00 am – 10:00 am:** Send Winlink Check-In (Radio/model, watts, antenna, power source & your actual [coordinates](#))

**09:30 am – 10:30 am:** Send Winlink ARC Hawaii Hurricane Daily Shelter Report (**under HI STATE Forms not ARC Forms**)

**10:00 am – 11:00 am:** Send Winlink Check-Out (Shutting down your station)

**08:30 am – 12:00 pm:** Hawaii ARES Team to answer questions or provide assistance to participants in a [Zoom Session](#)

**(SPOKES)** need to contact Net Control (**Tony WH6DVI**) or (**Jimmy WH6GEM**) backup NCS on Kulani Repeater 146.760(-) MHz PL 100.0 to check-in & check-out when assigned to a ([HUB](#)) using a [simplex frequency](#).

**(Darrell KH6RDO)** will be monitoring Pepeekeo Repeater 146.880(-) MHz PL 100.0 for those unable to relay via simplex.

## HUB & SPOKE:

- Fillable/Printable PDF(s) for SPOKE: [Winlink Check In & Check Out](#) | [Hawaii Hurricane Daily Shelter Report](#)
- SPOKE Sample Forms: [Winlink Check In](#) | [HI Hurricane Daily Shelter Report](#) | [Winlink Check Out](#)
- Reference Forms: [ICS-205](#) & [ICS-309](#)
- [Winlink Telnet Guide](#): setup a HUB or pass your own Digital messages via internet (Great way to learn Winlink)

Contact us below if you have any questions or want to participate by ([Digital](#)) or as a | [HUB](#) | [SPOKE](#) | or | [BOTH](#) |.
